

# SFA Dual Credit Information

## What is dual credit?

Dual credit is a process by which an eligible high school student enrolls in a college course and receives academic credit for the course from both the college and the high school. Students earn college and high school credits (dual credit) in an approved college course by attending SFA class(es) taught at their high school, online or remotely at the SFA campus.

High school students (9-12 grade) enrolled in public school or private school, or who are home schooled may be eligible to earn credit toward high school graduation by completing core curriculum courses through SFA's dual credit program.

## Tuition rate

SFA's dual credit program is designed to provide eligible high school students an opportunity to earn college credit in an affordable manner. This is demonstrated by the following:

- The application fee is waived for students applying to the SFA dual credit program.
- Dual credit tuition, including all fees, is \$86 per semester credit hour, or approximately an 85% discount from the full price of a normal course.
  - For example, a three-credit-hour course, such as English composition, would cost \$258.
  - Courses taken must be core curriculum or within a dual credit exploratory pathway to receive the dual credit price.

## Support services for enrolled students

Students enrolled in dual credit courses are subject to the same academic policies as those in regular courses. You also have all student support services available to them, including:

- the [Academic Assistance and Resource Center](#)
- the [Center for Career and Professional Development](#)
- [Counseling Services](#)

Questions about dual credit?

Email [dualcredit@sfasu.edu](mailto:dualcredit@sfasu.edu) or use the contact information below.

**Contact the Office of Admissions**

**Open:** 8 a.m. to 5 p.m. Monday-Friday

**Call:** [936.468.2504](tel:936.468.2504)

**Fax:** 936.468.3149

As a dual-credit student, you're eligible to [purchase a Campus Recreation membership](#)! You receive both high school and college credits for every class you complete successfully — and your college credits will be accepted at SFA. That means you'll enter college with a head start!

*Note: If a student is a minor, a parental consent form may be required to access certain services. If a student has questions about how to access resources on campus, they should contact the Dean of Students Office for assistance at 936.468.7249 or [dos@sfasu.edu](mailto:dos@sfasu.edu).*

## Application process and requirements

### How to apply

When applying for dual credit, complete your [application](#) to SFA and follow these steps:

1. Click "Create an Account" and complete the instructions to set up your account.
  - Keep your username and password safe!
2. Start a new application.
3. Select "Dual Credit Application."
4. Follow the prompts to complete and submit your application.

### Additional required documents

- Submit your completed and signed [dual credit student agreement](#).
- Your official high school transcript (must be received directly from your high school) email [rchesson43@hotmail.com](mailto:rchesson43@hotmail.com) and request a partial transcript to be sent directly to SFA.

### Students earning credit hours onsite at SFA:

Bacterial meningitis immunization requirement

In order to live on campus or take face-to-face classes, state law requires new students have a [bacterial meningitis vaccine](#), that is less than five years old, administered at least 10 days prior to the start of term.

After you apply, don't forget:

Once you have been notified that SFA has received your application, log on and set up your [mySFA](#) account right away. Registering for dual credit classes and paying your bill are both done through mySFA.
