Welcome to Dual Enrollment at SLCC

Dual Enrollment is a program that allows high school students in grades 10-12, including home education and private school students, to take college-level classes and simultaneously earn credit toward a high school diploma, a career certificate, an industry certification, an associate degree, or a baccalaureate degree.

BENEFITS OF DUAL ENROLLMENT

- Experience two schools at once - You'll be enrolled in high school and college at the same time.

- Save time and money - Complete college-level courses while in high school to increase the chance of graduating college early.

- Potential certification or degree - It's possible to earn certifications in high-demand, high-wage professions before graduating high school. Some students gain an associate's degree alongside their high school diploma.

- Earn transferable credits - Many courses are transferable to colleges and universities across the state, saving you time and money.

- Prepare for College- Prepare for college-level learning before enrolling full-time in college. Learn the expectations and responsibilities of college coursework, setting you up to succeed later down the road.

Things to Consider

Students interested in Dual Enrollment are encouraged to talk with their high school counselor. Students, parent/guardians, and counselors should together carefully assess whether Dual Enrollment is a good fit for the student. Students should be aware that college courses are typically more rigorous than high school courses and move at a faster pace. Also, Dual Enrollment courses result in college credits and grades become a part of the student's permanent college record.

ADMISSIONS AND ELIGIBILITY

Admissions Requirements

The following list of requirements must be met in order to participate in SoLAcc's high school dual enrollment program:

- Must have permission from the high school. The high school counselor or principal must sign the SoLAcc Dual Enrollment Signature Sheet. Applications are available for students to pick up from their high school counselor.

- Must be in good standing as defined by the high school.

- Must be high school sophomore, junior, or senior.

- Must have student, parent, and counselor (or designee) signature on the SoLAcc Dual Enrollment Paper Application.

- Must have taken either the PLAN, ACT or SAT assessment with scores on file at the high school

- Must meet all other course prerequisites as published in the SoLAcc catalog.

Eligibility Criteria

College-level academic courses and technical education courses each have different eligibility criteria outlined below:

College Level Academic Transfer Courses
Students may enroll in courses listed on the **Louisiana Board of Regents' Master Course Articulation Matrix** and meet the following requirements:

- 2.5 overall high school GPA verified by the high school, to initiate or continue dual enrollment (end of each semester).
